2019 Merchant Information

Please keep in mind that this is a family-friendly event.

(All applications must be postmarked by **April 1, 2019**)

There are two kinds of merchants at The Magical Realm Fantasy Faire:

1. **Shopkeeper:** Merchant who displays, sells, and/or demonstrates approved craft products in an assigned booth location. Space will be assigned by the Merchant Committee. No mobile sales may be set up outside of your merchant spot without prior permission from the Merchant Committee. No adjustments in this assigned area may be made without the written permission of the Merchant Committee. A standard merchant space is defined as 10' x 10' plus ropes and supports. **FOOD VENDORS ARE ASSIGNED A DOUBLE SPACE.**
2. **Wandering Merchant:** Merchant who sells approved items from a basket, bag or other portable object. These may include but are not limited to: rose sellers, bubble wands, crystal sticks, popsicles, etc. The Magical Realm Fantasy Faire provides no storage space for stock and the seller may 'hawk' their wares but will not interfere with stage shows, street performers or other activities that will distract the patrons from a performance.

Items will be considered for appropriateness to the festival, uniqueness, and quality. Should we find your products not suitable, The Magical Realm may reject the applicant outright or request changes to the booth, costumes or merchandise. If we deny your application, we will refund your application fee. If your application to merchant is accepted, you will be informed ASAP.

Check in: Please check in with the *Merchant Coordinator* no later than 9 am on the day of the Faire. Please be aware that all vehicles must be off the festival grounds by 10:00 am each day of the faire. (If you are camping, see the Camping Coordinator before setting up.)

The Magical Realm Fantasy Faire - General Merchant Rules

1. **Costumes:** ALL participants are required to wear clothing reflective of the family-friendly fantasy themes established in The Magical Realm. It is the sole responsibility of the merchant to insure that all persons working for them adhere to this rule.
2. **Language:** All merchants and their employees should make every effort to speak in an appropriate Lingo (language, accent, etc.) in order to add to the ambiance of the festival. **NO foul language will be tolerated.**
3. **Sales Hours:** The festival is open from **11:00 am – 7:00 pm Saturday and Sunday, RAIN OR SHINE. Please DO NOT close early!** If the weather is such that your merchandise will be ruined, you may cover your merchandise. Any merchant found closing early without permission may be asked to leave, and will not be invited back. (NO REFUNDS). We strongly suggest that merchants be prepared for all types of inclement weather. Tarps to cover your booth are allowed in the case of severe rain. (If there is a "Pub Sing" at the end of the day, the Merchant Coordinator may allow you to close your booth so you may participate.)
4. **Fires:** There are to be NO open ground fires on the festival grounds. If it is a part of your encampment, for entertainment/reenactment purposes, you may have an ABOVE THE GROUND fire pit at your encampment area. However, you must notify the Camping Coordinator AND Security, AND you must have a bucket of water available. The fire must be attended at all times and put out when you retire for the night.
5. **Children:** All participants are responsible for the conduct and actions of their children at all times while on festival grounds. All children are to be under direct supervision of their parent/guardians. Do not allow your children to 'run around' the festival without supervision. Names and ages of children must be given to the Merchant Coordinator. Participant Children must wear a wristband at all times.
6. **Pets:** Participants may have pets in their merchant booth or encampment, with **proof of vaccinations**. If you have a pet at the mundane camping area you are responsible for providing them with ample food, water and shelter during the day. If the animal is found without these the authorities will be called and you will be reported.
7. **Telephones:** Cell phones distract from the fantasy theme of the event. We realize, however, that some merchants use cell-phones to call in credit cards or to use "Square", etc. This is permitted. Personal calls should be limited, and outside of the view or earshot of guests. Theme-related devices encouraged.
8. **Set-Up:** All booth structures, carts, and display props should be set up prior to the opening day of festival. The grounds will be open for set-up on Friday, May 31, 2019. Do NOT set up until you check in with the Merchant Coordinator. Every effort will be made to honor special requests regarding location of your booth space. **The Magical Realm Fantasy Faire Merchant Committee retains the right to assign booth spaces as needed.**

9. **Camping in booth:** You may camp in your merchant booth and do not have to pay a camping fee. However, all non-faire-related items need to be put away during festival hours. (QUIET HOURS STARTING AT MIDNIGHT)
10. **Merchandise:** Only those products and services listed on your application and approved by the Merchant Committee may be offered for sale. If the Merchant Committee finds other items in your booth you may be asked to remove them. If you have a new item that you would like to sell but did not have time to contact the Merchant Coordinator please do so before putting the item for sale in your booth. Merchants who attempt to sell items they were not approved for, or who do not remove said items, may be asked to close their booth. As all merchants want to make money, this keeps us from having duplication of products. Merchants displaying unacceptable merchandise such as cigarette lighters, paint ball guns and ammo, and other items deemed inappropriate by the Merchant Committee will be asked to remove them from their booth.
11. **Parade:** If a Parade is held - All merchants are required to participate in the daily parade. Parade banners should be colorful, attractive and lightweight (for the sake of your banner carrier!). If you cannot participate due to lack of people in your booth, please contact the Merchant Coordinator and every effort will be made to find someone to carry your banner.
12. **Closing at the end of the day:** All merchants are responsible for leaving their sales space in a secure manner for the night. The Magical Realm Fantasy Faire is not responsible for theft or damages.
13. **Closing at the end of the weekend:** It is the shop owner's responsibility to pack up their merchandise at the end of festival on their last day of faire. There will be The Magical Realm Fantasy Faire personnel on site during the weekend, however, The Magical Realm Fantasy Faire will not be responsible for any theft or damages. In other words... if you can't afford to lose it... pack it up and take it with you! In the case of severe weather you must make every effort to protect your booth. You are responsible for checking on your booth if bad weather hits. If there is damage done to your booth, we will make every effort to contact you and let you know about it. **Please make sure that all contact information you give on your application is current and correct.**
14. **Vehicular traffic:** The Magical Realm Fantasy Faire reserves the right to halt vehicular traffic at the beginning and end of each day to insure that **all performances have finished and that all patrons have left the festival grounds.** The roadway will not be opened until 6:30 pm each day at the earliest, and may remain closed if deemed unsafe. Please be advised that vehicular traffic may not be possible. All cars must be off the festival site by 10:00 am each day of the festival. The ONLY exception to this rule is in the case of a tornado or other weather emergency as declared by the Executive Directors of the festival.
15. **Electric/Water:** The Magical Realm has limited power and water on site. This is a primitive event so we may not be able to supply power, and water may have to be transported to your booth.
16. **Booth/Pavilion/Tent Requirements:** Pavilions and booths will be judged for appropriateness by The Magical Realm. EZ-up type canopies are acceptable if every effort is made to make them appear festive and period appropriate. Please include a DIGITAL photo of your pavilion/booth with this application. (Photos become property of The Magical Realm. If you make any changes to the festival grounds for water/rain control or other purposes you must return the area to its original condition after tear down. A \$50.00 fee will be assessed to those who do not follow this condition.
17. **Sales Tax:** It is the merchant's responsibility to obtain a Michigan Sales Tax License and to pay their own sales taxes. The Magical Realm Fantasy Faire is not responsible for checking to make sure you do this.
18. **Smoking:** ALL participants must smoke in designated areas ONLY. Any merchant found smoking in their booth will first be given a verbal warning. The second warning will be in writing and if a third one is necessary, the merchant may be asked to leave the festival with none of their merchant fees refunded.
19. **Weapons:** Only merchants who apply for and receive special permission to sell weapons are allowed to sell weapons. Should you be approved to sell weapons, The Magical Realm Fantasy Faire management will issue a permit to you in your welcome packet. You must display this permit in your booth at all times. Merchants are required to be in compliance with all state and federal laws with regard to selling weapons to minors. Merchants shall assume all responsibility associated with such sales. All merchants are responsible for insuring all weapons are peace-tied at the time of sale. In no instance shall weapons be sold to individuals less than 18 years of age. You are responsible (by Michigan Law) to enforce this policy. This includes, but is not limited to: guests, volunteers, and other merchants. Should you be found selling weapons to minors, your booth will be shut down immediately, and you will be asked to leave at the end of the festival day. Your application fee will not be refunded. **NOTE:** There will be NO firearms allowed on site. If your job requires you to have one with you, then you must speak with the Executive Directors and gain permission. The firearm must then be in a safe, locked location at all times and may NOT be carried on your person. Anyone found in violation of this policy will be turned over to law enforcement. **All weapons must be peace-tied.**
20. **Participant passes:** Merchant passes are limited to booth employees, with 4 free passes given per booth for each weekend unless requested in advance with approval of The Magical Realm Fantasy Faire management. All persons entering the festival must have a participant pass on their person at all times or they will be charged for their admission. There may be a replacement fee to replace any previously issued passes.
21. **Use of name, image or information:** Merchants and all participants employed by them give The Magical Realm Fantasy Faire permission to use their name, image or business information in any medium and for any purpose whatsoever including but not limited to promotion, advertising, trade or commercial utilization related to The Magical Realm Fantasy Faire.
22. **Disclaimers:** The Magical Realm Fantasy Faire shall not be responsible in any manner or form whatsoever for the failure of the festival to open or be inoperable for any reason or cause beyond the control of the festival. The participant shall be solely responsible for all damage of any nature or form caused by the operation of his sales to the festival grounds, to the property of other participants and to all third parties including, but not limited to, customers of participants and other persons entering the grounds with and without the permission of the festival.
23. **Compliance:** These rules and regulations are agreed to and become a part of The Magical Realm Fantasy Faire Merchant Agreement. Failure to comply with all the rules, regulations and policies may result in a written warning from the Merchant Committee. The merchant upon receipt of the warning shall have until the following festival day to make the required corrections, unless other arrangements have been made with the festival. Failure to comply with all the rules, regulations and policies may result in ejection from the festival without refund of any part of their merchant fees.
